BOARD OF EDUCATION

The Board of Education is composed of nine members, elected annually by the school patrons, which are scattered throughout the congregations of the Johnstown district.

The board holds its meetings monthly, at which time matters are discussed pertaining to the welfare of the school, especially financial matters, in which field they have been quite successful.

One of their main problems last summer was to acquire enough money to put brick on the school. They also are planning another large project for the years to come. We all want to give our prayerful and also financial attention to the future project.

We surely appreciate the efforts of our school board in keeping J. M. S. functioning effectively. Without their helpful counsel our school could not succeed.

DEDICATION

In sincere appreciation for his faithfulness in cheerfully driving
our bus each day, we dedicate this 1953 MEM-O-RE to BRO.
CLARENCE ALWINE.

PRINCIPAL'S MESSAGE

Dear Graduating Seniors:

Your class represents the eighth that has stepped out of the halls of your alma mater. I have watched each of you grow up. I remember you as fourth graders. You looked promising then and I am more than pleased with you now. There is something about you that tells me that you have great possibilities, each one of you, for real service, and the years since you were in fourth grade have added to your poise and dignity and a quiet Christian attitude that befits any one who is called of God.

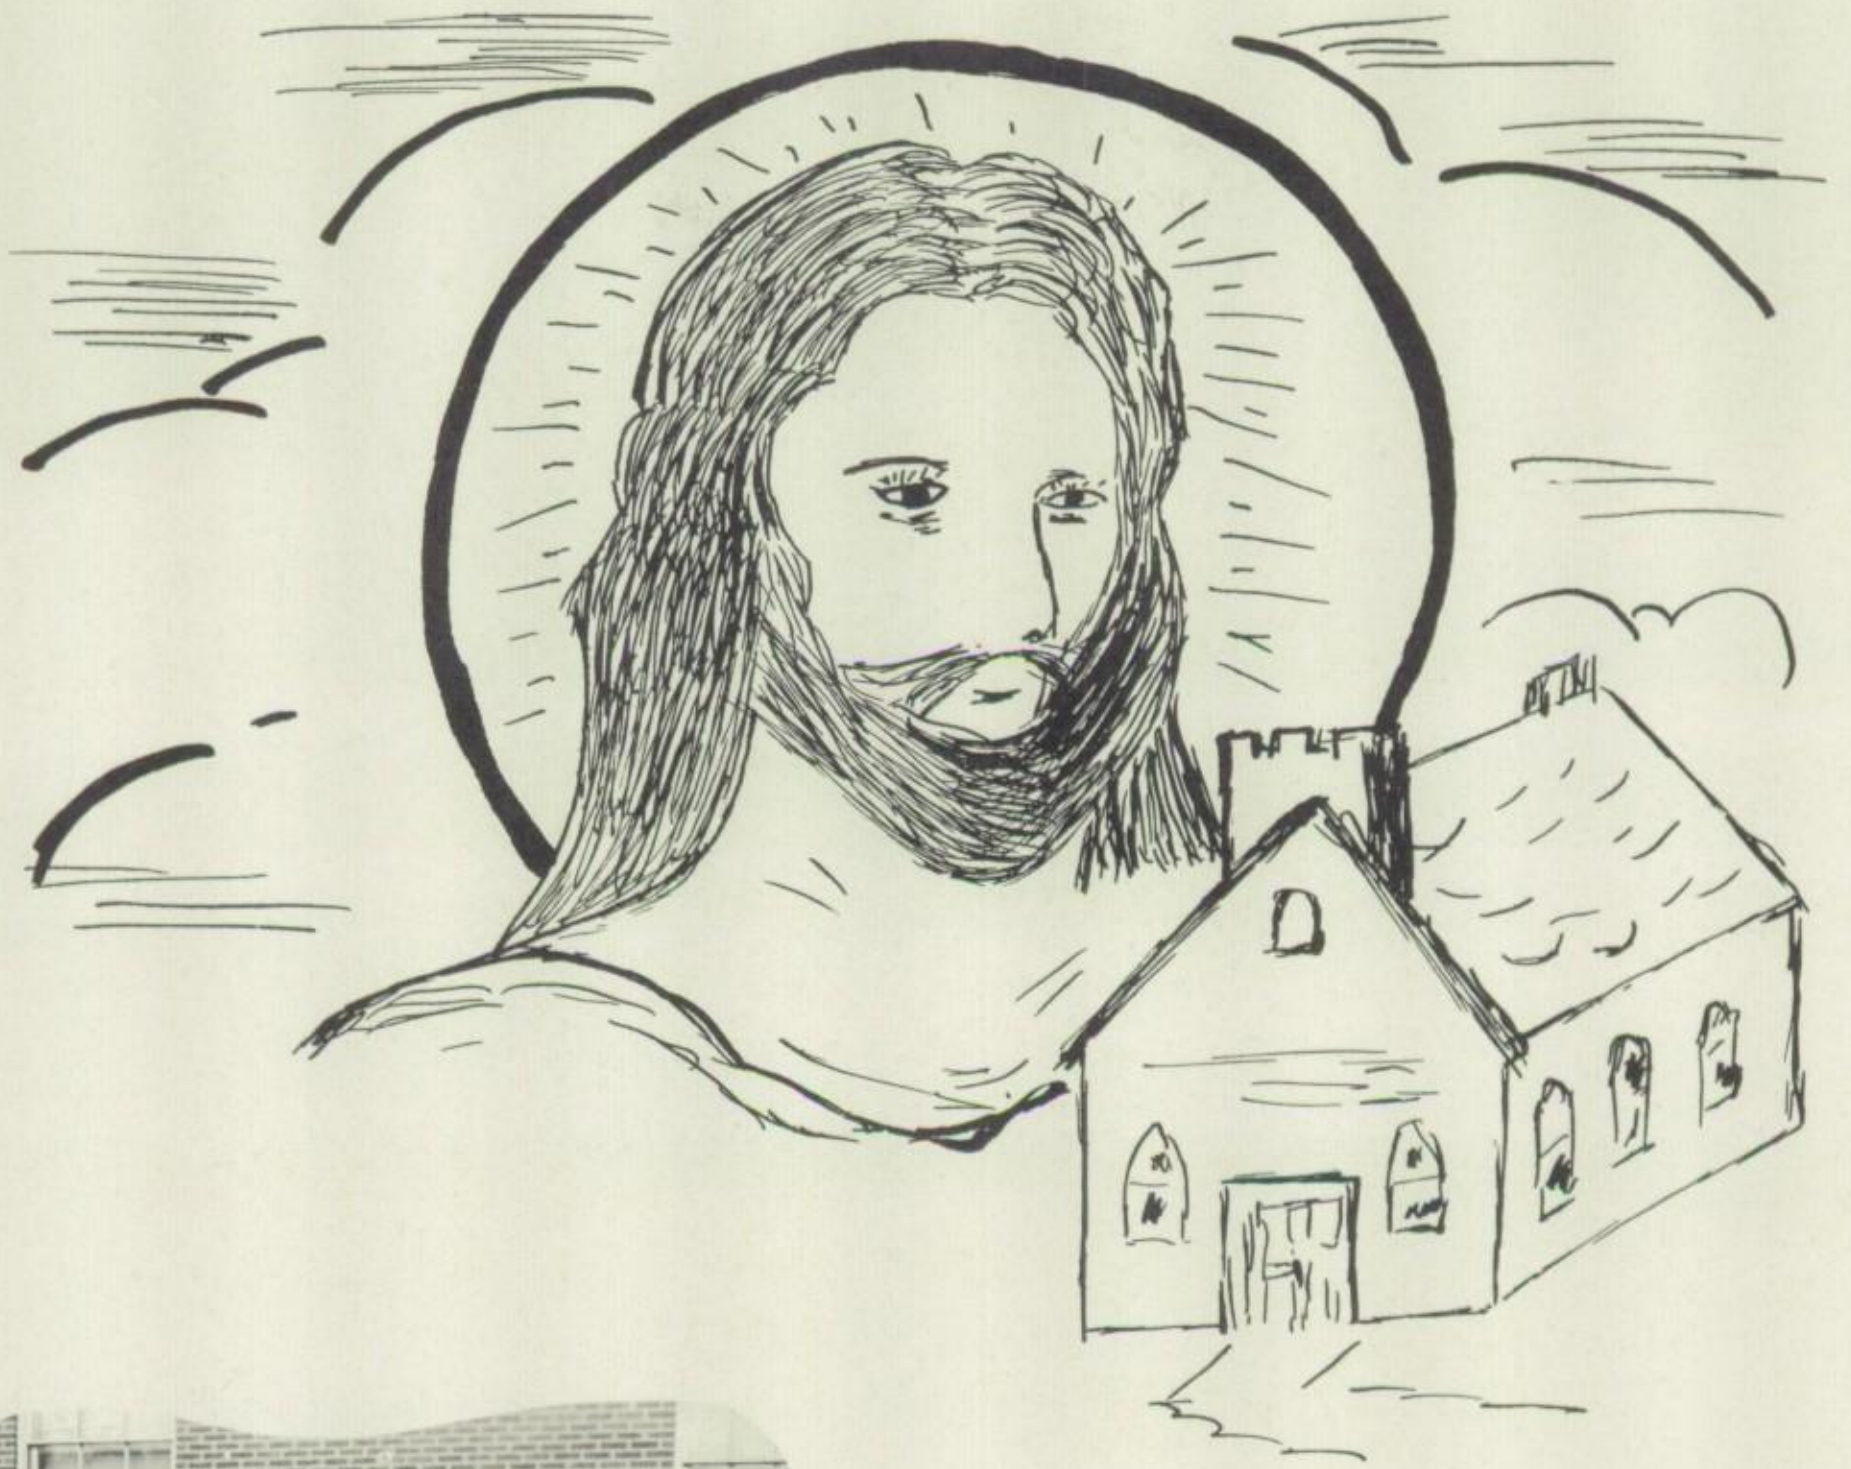

I am watching you yet. I am watching to see what choices you make in life -- whom you marry, what your vocation will be, how much interest you will continue to show in your school, how much of your life will be turned over to God for His service. I hope I shall not be disappointed in any way with any one of you.

I am going to pray for you.

As we look out on the world of 1953 -- such a different world than the world of yesterday -- we wonder what the future holds, with the many pending ills of society. War stares us in the face, labor disputes, inflation, crime, godlessness. Just what the circumstances may be that will play on your lives to aid or hinder your possible achievements, we do not know. Yet whether your future is marked with fear and uncertainty, with adversity, distress, persecution, and even death, or whether it shall be a future of unhindered successes, matters not too much. It will not matter so much what you DID when the story of your life is finished, but what you WERE. I hope you can do things too, but with the training you have received from your home and from your school and church, I will be very much disappointed if you have not achieved an enviable character that will be a blessing to mankind and to God. If the gracious virtues of love, and faith, and truth abound in you as I have reason to believe they will, then your life will be a worthy tribute to all who have had a part in garnishing your soul and life.

In Christian love,

Sanford G. Shetler, Principal

SENIOR OFFICERS

The graduates of '53 are eleven in number, a very fine group of people with quality and maximum goals. With effort and vigor each one has tried to make his senior year his best year. By the time you read this we will have successfully planned and taken the senior trip to New York or Washington D.C. We also pride ourselves in the fact that ours is the first graduating class to have each member own a drivers' license. Even though our class is made of all types and personalities from different localities, we have had a good history of co-operation and progress.

Our aim is to make a real contribution to a place that holds a very special spot in each of our hearts -- J. M. S.

RELIGIOUS

FOR CHRIST AND

RELIGIOUS LIFE COMMITTEE

Anna Lehman, Darlene Miller, Sec., Bob Otto, Chairman, Wilma Killius, Bro. Bauer, Advisor, Bob Thomas.

As has been suggested by the name, the Religious Life Committee is to help build up the spiritual life of the school. Since Brother Shetler and Brother Baur take turns having the devotional periods Monday through Thursday, it is our duty to prepare a program for the Friday morning devotional period. We are also in charge of choosing the choristers for the whole week.

For our Friday morning devotional period we usually have a program by the students. If there is a visiting minister in the community we invite him to come and conduct the morning devotions. For a variation we sometimes spend our time singing religious hymns or having a Bible Quiz.

We are in charge of the school Prayer Meeting, held each Wednesday at noon. We tried to put up some mottos in the high school room and library.

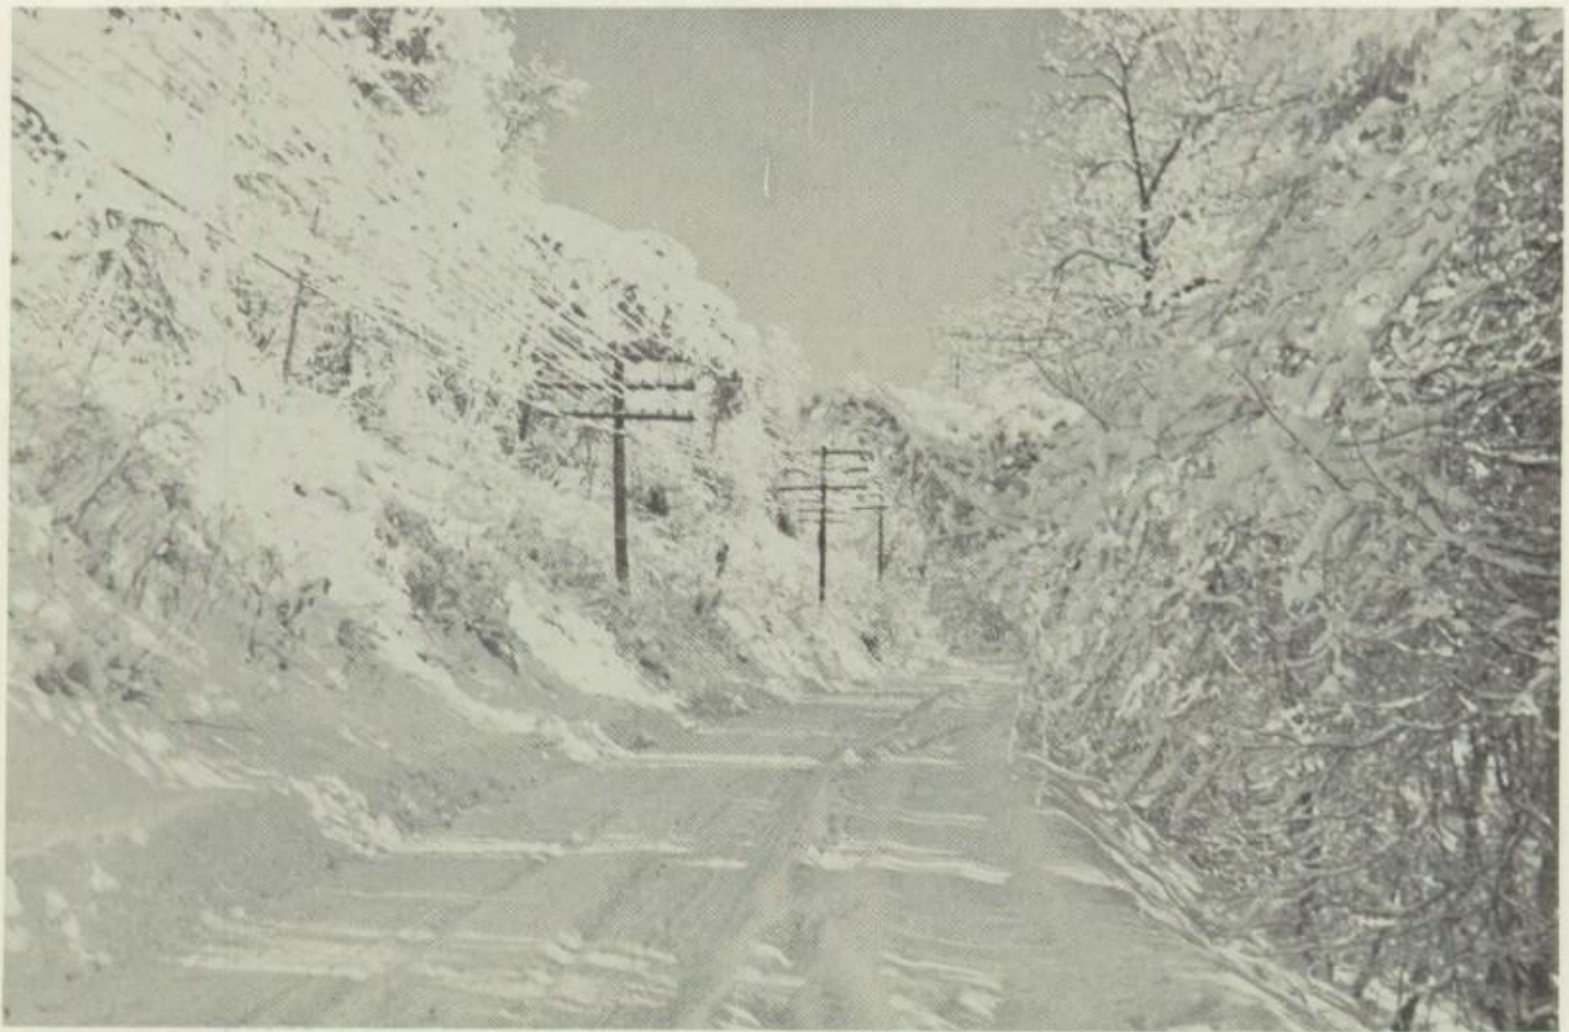

Our morning devotional periods help each one of us remain nearer our Saviour during the day, and help us think on things above.

CHORUS

The J. M. S. Chorus of 52-53 consisting of 33 members is directed by Bro. Shetler.

STUDENT COUNCIL

The Student Council is composed of the Chairmen of the Religious, Social, and Athletic Committees; the editor of the Year-Book and School Paper; and one elected member from each class.

It is the work of the council to co-ordinate all student activities, consider project improvements, consider matters arising in the life of the school, help the faculty in maintaining a school spirit and to suggest means of improvement, give aid to the different school committees, to sponsor student drives for money for the needs of the school, and to recommend students for special honors.

This is the first year that a Student Council has been established. The council meets on Thursday in the Activity period when it is possible to have a meeting.
